I. Reports and Announcements

- A. The minutes of the April 30 meeting were approved as written.
- B. Dr. Bari Watkins reported on admissions for next fall. A total of 367 students have been admitted and have accepted a place at Rollins.

Dr. Watkins distributed a report on withdrawals from the College. The report indicates that freshman males and freshman and sophomore women are the most likely to leave. The most common reason for withdrawal is "social atmosphere."

Dr. Barry Allen asked for a report on the problems with the KA's over the past weekend. Dr. Griffin asked for a sense of the faculty on what should be done about the KA's. Dr. Cary Ser said that it was time to set up alternate social events..."we are losing good students because the campus is saturated in booze." Dr. Griffin moved the following: the faculty calls for a careful investigation of the damage and disarray in McKean, and of who is responsible for this problem. If the KA's are responsible the faculty favors the strongest possible action against the KA's.

Dr. Tim Bauer-Yocum reported on the problems of the past two weeks in the KA's lounge and in a public restaurant. Dr. Hoyt Edge also reported on the damages to the KA lounge in McKean Hall. The motion passed.

- C. Dr. Dan DeNicola reported on the status of the searches for Dean for DCE and for Associate Dean of the College.

He also reported that Dr. Norm Copeland has been named NCAA Coach of the Year and Dr. Barbara Carson has been chosen as one of eight finalists for the National Professor of the Year Award of the Council for the Advancement and Support of Education.

II. Business

- A. Dr. Ed Borsoi presented a motion from the Committee on Intercollegiate Athletics (see agenda for text of resolution).
- B. The faculty approved the candidates for the Honors B.A. and B.A. degrees who have been certified as completing degree requirements by the Registrar.
- C. Dr. Bari Watkins moved that the Code of Students' Rights and Responsibilities and Guides for Residence Hall Living be approved. She called on Mr. Mark Peres to report on the document. Mr. Peres reported on why the document had been rewritten.

Dr. Watkins suggested a friendly amendment for line 3 on page 2. "Civil law" should read "State and federal law." Dr. Charles Edmondson suggested that on page 3, lines 3 and 4, the words in parenthesis, "including an emphasis on sexuality and sexual preference" should be deleted and for them substituted "sexual preference." Dr. Watkins moved this amendment. The amendment passed. The motion passed.

Dr. Watkins moved that the faculty commend Mark Peres and the task force on the code for extraordinary service. The motion passed.

III. Adjournment

The meeting was adjourned at 4:05 p.m. A taped recording of the meeting is on file in the Library Archives.
